Dear Customer,

As per company policy, you must sign this letter of waiver before you place the order of your Carport/Building.

The longest panel is 31' Long, when building a horizontal roof over 31' long, the roof panels will overlap and have sealant.

The purpose of this waiver is to acknowledge that by doing this there is a high chance of a leakage problem.

By signing below you acknowledge that we have informed you of the leaking problems that occurs with buildings over 31' Long with horizontal roof.

Dreams Carports I, Inc. is not liable for any damages this may cause to your personal items stored inside the Carport / Building, nor will repairs be issued for leakage.

The undersigned understands and agrees to these terms, and forfeit all rights to bring a suit against Dreams Carports I, Inc. for any reason regarding such.

Thank you,
