18' X 21' 2 CAR CARPORT VERTICAL ROOF

CALL NOW TO ORDER!

A 2 Car Carport is an outstanding way to protect your valuable equipment at a great price. With dimensions of 18'x 21' x 10'tall, the carport provides 378 square feet of storage space. There is easily enough space to store two cars, trucks, or assorted lawn equipment. With 10' in leg height, there is even room to fit an RV or mobile home underneath the roof. You can customize your 2 car metal carport for whatever you need, including adjusting the dimensions, features, and color. Manufactured with our rugged vertical roof and extra side panels, this carport provides top quality protection from inclement weather and other hazards.

LAND/CEMENT FOUNDATION MUST BE LEVEL

- Cement should be 1 ft. shorter than roof length.
- Cement must be level and square from corner to corner.
- Return trip fees will apply if building is not installed.

In order to get the highest quality installation, we ask to have the site prepared and ready to go on the day of installation. There should be no electrical wires less than 15 feet above the peak height and confirm no underground utilities will be impacted by the installation process (must be 4' or more beneath the impacted areas for ground installation). Remember, all of our structures come with free installation and free delivery.
